

ABOUT US /

TM Fencing has been in business since 2006 and continues to grow in popularity. TMF fences are memorable and unique, all projects are finished with a natural and aesthetic touch.

The business is owned and operated by two young, local, individuals Ehren Samuelson and Jonas Pearson. Samuelson holds a BA in Travel and Tourism from Colorado State University while Pearson holds a BA in English from the University of Colorado in Boulder.

WORK /

TM Fencing installs several types of fences including but not limited to Custom Design, Horse and Farm, Buck and Pole, Split Rail, Privacy Picket, Post and Dowel, Smooth Wire, and Wind Fences. We also provide Low Impact Logging services and build customized gates and entryways. TM Fencing is licensed, registered, and insured in the state of Colorado.

WE SPECIALIZE IN

FENCING & GATE

CUSTOMIZED PROJECTS

1

Fences come with a **Four Year Warranty**, whereby repairs are conducted free of charge when due to construction failure.

2

TM Fencing provides low impact and environmentally friendly logging services.

3

TM Fencing turns your fencing dreams into reality. If you can dream it, we can build it.

Delivering a level of service and quality unmatched by any other fencing company in Colorado, the team at TM Fencing knows the individual needs of our residential and commercial customers alike. Over the years, we've installed hundreds of fencing varieties of all types. We have a fabrication facility at our headquarters in Winter Park, CO, which offers full customization capabilities for all your custom fencing needs.

If you are ready to get started with TM Fencing, please contact us today!

*"We love (love!) the fence.
It's perfect."*
